

SPE Eastern Regional Meeting Sponsorship

January 30, 2017

RE: **SPE Eastern Regional Meeting** (October 4-6, 2017 in Lexington, Kentucky)

To the Friends of SPE:

The East Kentucky Section of the Society of Petroleum Engineers (SPE) will host the 2017 Eastern Regional Meeting in Lexington, Kentucky, on October 4-6, 2017. We expect in excess of 200 industry professionals to attend this event.

As the honored hosts of this event, we are seeking sponsorships to help defray the cost of the meeting, and to support our extensive scholarship program. Since the inception of the East Kentucky Section's scholarship program, over \$150,000 in scholarships have been awarded.

All sponsors will receive wide recognition throughout the technical program, to include all social functions and in the exhibit hall. This should be an excellent opportunity for you to put your company's name in front of a large select, targeted audience. If attending, it is also a great opportunity to make new contacts within the industry for our young engineers, future engineers, and seasoned professionals alike. Further, you will find the technical sessions to be quite interesting and informative. In fact, a variety of topics will be presented including new technological innovations regarding Shale formations such as the Utica, Marcellus and Lower Huron. The meeting will then conclude with a very enlightening and active Panel Discussion with some of the leading experts in the industry.

To provide all potential sponsors the ability to assist us with this event, we have established the following levels of sponsorship:

- **Platinum** **\$5,000**
- **Gold** **\$2,500**
- **Silver** **\$1,000**
- **Bronze** **\$500**
- **Event** **\$100 to \$500**

Interested sponsors should send their check, made payable to SPE – East Kentucky Section, to the address listed below. If you should have any questions regarding sponsorships, then please contact Danny Bryant at (859) 248-6675 or danny@bryantexploration.com; or Lloyd Hall at (606)-616-8080 or LHall@nytisky.com; or Bob Laughner at (724) 759-0979 or rjlaughner@yahoo.com.

Thank you for your interest and support to SPE. We look forward to seeing you in Lexington next October. Please note also that the Keeneland Fall Meet opens that Friday afternoon, immediately following the Panel Discussion.

Sincerely,

Mark D. Pierce, Co-Chair

Harry D. Callicotte, Co-Chair
